If you have you lost someone close to you by overdose or other drug-related death...

If you are experiencing grief after death from substance use..

You are invited to attend a new peer grief support group

The purpose of the group is for members to support each other in coping with grief.

We believe that sharing the experience of tragedy can promote healing.

For more information contact Laurie Loisel, Director of Outreach & Education at the
Northwestern District Attorney's Office at laurie.loisel@state.ma.us; or call 413-437-5736

*Amy and Laurie are peer grief supporters who facilitate the group for people who are bereaved. Their training includes a two-day workshop from SADOD (Support After Death By Overdose,) a project funded by the Massachusetts Bureau of Substance Addiction Services.
